

# MAESTRO CHALLENGE

---

## OVERVIEW

This April's challenge is on the popular 'Maestro' Training Mode. For the first time, players and centres can compete in the ESA+ Challenges on multiple ESA products including the ICON Range and the Precision Wall.

The challenge is simple, attain as many points as you can from the 1st to the 30th of April. The player and organisation with the most points overall at the end of the month will become victorious. Multiply your chances with every play!

## KEY BREAKDOWN

- **Product:** ICON (3.0), ICON V2, ICON Fast Feet, ICON Cube and Precision Wall
- **Training Mode:** Maestro
- **Dates:** 01/04/2024 - 30/04/2024 (GMT to be used at competition end)
- **Prizes:** Individual & Organisation
- **Rules:** ESA+ Members Only

## PRIZES

- **Individual (Most Total Points in Period):** Trophy & ESA+ Challenges Top
- **Organisation (Overall Most Total Points in Period):** Trophy & ESA+ Challenges Top (Framed)
- **All Winners:** Place on the ESA+ Challenges 'Hall of Fame' on our Website

Please log players in so they can compete in the individual challenge. For any more information or if you have any questions, please either contact your ESA representative or email us at [info@eliteskillsarena.com](mailto:info@eliteskillsarena.com).

Good Luck!
